**RE: Docket No. E-00000W-13-0135 – In the Matter of the
Commission's Inquiry into Retail Electric Competition
NEM Request to be Added to Service List**

The National Energy Marketers Association (NEM) submits this letter requesting that it be added to the service list in the above-referenced proceeding. NEM is a non-profit trade association representing both leading suppliers and major consumers of natural gas and electricity as well as energy-related products, services, information and advanced technologies throughout the United States, Canada and the European Union. NEM's membership includes independent power producers, suppliers of distributed generation, energy brokers, power traders, global commodity exchanges and clearing solutions, demand side and load management firms, direct marketing organizations, billing, back office, customer service and related information technology providers. NEM members also include inventors, patent holders, systems integrators, and developers of advanced metering, solar, fuel cell, lighting and power line technologies.

NEM requests that the following individuals be added to the official service list in this proceeding:
